## SKILLS PROGRAMME 3 Day FLORAL DESIGN COURSE

### **COURSE OUTLINE**

The Skills Programme 3 day Floral Design course is designed specifically for those interested in entering the world of floristry & event design, whether it be for yourself or an intimate celebration.

Your facilitator has over 30 years of floristry experience, allowing you the opportunity to gain invaluable insight into this exciting avenue through her knowledge and experience, along with Khali Collins (nee De Villiers), aka The wedding Specialist and the Owner of The SA School of Weddings, innovative and modern designs currently trending.
